Challenges to American Values: Society, Business, and ...

Hasty, ho-hum generalizations about the state of our ""common cultural values"" by a senior American economic historian (Business in American Life, Frontiers of Change). For a couple of hundred years, Cochran says, these values—materialism, utilitarianism, anti-authoritarianism, white male supremacy, Protestant fundamentalism—encouraged economic growth and development; but since about 1850 ...

restored and the society gets going.

Values and Norms of Society - Sociology Discussion

The relationship among these values—the rights and the responsibilities—creates the fabric of the American society. It is this fabric that defines the American Dream—the belief that if people take responsibility for their lives and work hard, they will have the individual freedom to pursue their personal goals and a good opportunity to compete for success.
