Laying the Draw Explained: So, how do you lay the draw and what does it mean? If you're not familiar with what a lay bet is, read this first. Instead of betting that a draw will happen, we are betting that the match result WILL NOT be a draw. In other words, either the home or away team will win. This strategy is almost always used in-play.

## **Laying The Draw Tips and Tricks | Still A Profitable Strategy?**

Lay the draw (or "LTD") strategies involve placing a lay bet on the draw. Once the favourite scores a goal, the draw price will rise and you will be able to close out your trade for a profit. If the match ends in a draw, your trade loses. At a traditional bookmaker you're able to back various outcomes, perhaps a home win or over 2.5 goals.

## **Lay the Draw Trading: Betfair Trading for Beginners and Pros**

A good example of a football strategy you can use on Betfair is called Laying the Draw. This approach has been popular for a while and as a result, it's not that profitable as it used to be. However, there are still opportunities to make money with low risk. As the name suggests, you will be laying the draw in certain
