K Pax The Trilogy 1
A series of novels about Prot, a visitor to earth from the planet K-PAX, or one of the alter egos of a seriously damaged patient in a psychiatric hospital - or both. The first of the three (the basis for the film) is the most successful, but the second and third are still very readable and enjoyable.

It's rare to find a trilogy that gets better with each book but this is it, so this trilogy edition is a must buy. The story follows the story of prot, a man found wandering around claiming to be from another planet, as seen through the sessions with his psychiatrist. Through all the books one is kept guessing as to prot's real identity.

— Gene Brewer, K-PAX The Trilogy, 5 likes. Like "Most humans subscribe to the policy of 'an eye for an eye, a life for a life'. Many of your religions are famous for this formula, which is well known throughout the UNIVERSE for its stupidity. Your christ and your buddah had a different vision, but nobody paid any attention to them, not even ...
