Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

CONFESSION | meaning in the Cambridge English Dictionary

About 25 million authentic watches roll out of Switzerland's manufacturing plants annually, compared to China's 663 million. It is a known fact that some of these latter watches are illegal copies of others, resulting in a colorful and dynamic, albeit seedy and clearly criminal fake watch industry.
