Postcolonial Theory And International Relations

Postcolonialism views key issues in International Relations as constituting discourses of power. This notion of a discourse allows scholars to utilise a frame of reference for thinking about the world and its problems that does not merely reside in the empirically verifiable and "fact"-based inquiry that drives traditional IR theories such as realism and liberalism.

Introducing Postcolonialism in International Relations Theory

In recent years, postcolonial perspectives and insights have challenged our conventional understanding of international politics. Postcolonial Theory and International Relations is the first book to provide a comprehensive and accessible survey of how postcolonialism radically alters our understanding of international relations.

Postcolonial Theory and International Relations: A ...

Postcolonial international relations scholarship posits a critical theory approach to International relations (IR), and is a non-mainstream area of International relations scholarship. According to Baylis postcolonial international relations scholarship has been largely ignored by mainstream international relations theorists and has only recently begun to make an impact on the discipline.
