Access Free Real Estate Tax Deed Investing How We Made Over One Million Dollars In Two Years

Tax deed investing is buying the title to real estate that has been sold by the government for nonpayment of taxes by the property owner. The owner of the tax deed now has the rights to the debt that is related to that property.

Understanding Tax Deed Investments - The PIP Group

Tax deed investing is different from tax lien investing in that you are bidding directly on the property rather than on a lien. If you're the winning bidder, you have a chance to foreclose on the property if the owner doesn't redeem by paying their tax debt. During the redemption period, you can earn interest and penalties.
