**Service Engine Soon Light In**  
Service Engine Soon Light Meaning. If the "Service Engine Soon" light comes on, it means that there is a minor problem with the electronics or the engine of your car. Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement. Some manufacturers only have one indicator for both scheduled service and engine problems.

**Service Engine Soon Light - Meaning, Causes & Fix ...**  
One issue with understanding what the Service Engine Soon light means is that it is often used interchangeably with the Check Engine light. This happens when a vehicle has one or the other indicator light, but not both. For instance, if you have a Nissan, the "Service Engine Soon" and "Check Engine" light mean the same thing.

**Service Engine Soon Light - Meaning, Causes and Fix**
