List of women psychologists - Wikipedia

Div. 35 Sect. I (The Psychology of Black Women) began as a committee on black women's concerns. With vision and perseverance, the committee gained a more prominent voice within the division, and Section I (The Psychology of Black Women) was established in 1984.

Section I: The Psychology of Black Women

The Psychology of Cross-Dressing. Cross-dressing (and here we refer particularly to men dressing up as women) could hardly have a worse reputation. The concept of a man taking pleasure in putting on a pair of stockings seems laughable, pitiful – and plain sinister.

The Psychology of Cross-Dressing -The School of Life Articles

Most women understand very little about the psychology of men's mind in dating, relationships and love... even though many women believe they know what men want! They're confused about why men do things like pull away, lose interest, get bored, stop giving attention or even fall out of love and leave.
