The Anabaptist movement, from which the Amish later emerged, started in circles around Huldrych Zwingli (1484-1531) who led the early Reformation in Switzerland. In Zürich on January 21, 1525, Conrad Grebel and George Blaurock practiced adult baptism to each other and then to others. This Swiss movement, part of the Radical Reformation, later became known as Swiss Brethren.

On the other hand, health-care organizations have been more active in promoting attention to theoretical applications in nursing practice. For example, those hospitals on the magnet journey are required to select a guiding nursing framework for practice. Watson's theory of caring is guiding nursing practice in a group of acute care hospitals.
